Steve Lehosky Passed Away January 8th

Coleman old-timer, Stephan "Steve" Lehosky died unexpectedly in the Crows Nest Pass Municipal Hospital on January 8th, 1966 at the age of 80 years.

Prayers were said in Fantin's Hillside Chapel on January 11th. Solemn Requiem High Mass was celebrated in the Holy Ghost Catholic Church by the Rev. W. Krewski at 10:30 a.m. on January 12th and interment followed in the Catholic cemetery.

Mr. Lehosky was born in Nizna, Province of Oravia, Czechoslovakia, on February 10, 1885. He came to the United States in the early 1900's and after a short stay moved to Fernie, B. C., coming to

Coleman around 1907, where he had resided since.

He worked as a miner for the Coleman Collieries Mines, retiring in 1952. He was a member of the U.M.W., the First Slovak Society, the Catholic Faith and was charter member of the Coleman Elks Lodge.

He was predeceased by his first wife Mary, in Coleman, in 1964; by a sister, Mrs. Andrew Buckna in Coleman in 1964; by a brother Joe in Great Falls, Mont., in 1964.

Surviving are his wife Anna of Coleman; one step-son, Joseph of Coleman; a step-daughter Bernadette in Czechoslovakia; five nephews and six nieces.

Double Ring Wedding Ceremony

St. Pius X Church in Calgary was the scene of a pretty wedding on November 12th at 7:30 p.m., when Helen Adela Wavrecan exchanged wedding vows in a double ring ceremony with Russell Vernon Peake with Rev. Fr. J. N. Labell assisted by Rev. Fr. J. N. Labell of Warner, officiating.

The bride is the daughter of Mr. and Mrs. Joseph Wavrecan of Coleman, and the groom is the son of Mr. and Mrs. V. C. Peake of Lloydminster.

Entering the church on the arm of her father, who gave her in marriage, she made a charming picture in a floor-length gown of white peau de soie, elbow-length sleeves and white gloves. Her bouffant shoulder-veil veil was held in place by a head-piece of tiny white gardenias and her bouquet was of Yuletide roses.

The bride's attendants, Mrs. June Brooker of Edmonton, as matron of honor wore floor-length gown of red silk velvet and head-piece to match, with white accessories and her bouquet was of white carnations — Miss Shannon Ball, junior bridesmaid, was gown in red brocade floor-length with white accessories with matching head-piece and she carried a nosegay of white carnations.

During the signing of the register Mrs. Doreen Wavrecan (aunt of the bride) sang "On This Day" and "Ave Maria".

The groom's attendant as best man was Mr. Ron Barnes of Regina, Sask., and ushering were Mr. Joseph Wavrecan, Jr., of Coleman, and Mr. Bill Brooker of Edmonton.

Mrs. Wavrecan, mother of the bride, wore for her daughter's wedding a two-piece brown and white ensemble, with brown accessories and a corsage of white roses. Mrs. V. Peake, mother of the groom donned a brown wool suit with brown and gold accessories and corsage of white roses.

The reception was held at the Caravan Motor Hotel with forty guests in attendance. The bride's table was centred with a three-tiered wedding cake, topped with two doves and flanked with tall

Former Resident Passes In Ontario

Friends in Coleman will be sorry to hear that Joseph Setla of Windsor, Ont., and formerly of Coleman, died on December 24.

Mr. Setla, age 62 years, was born in Poland, and came to Coleman with his parents when he was nine years of age. He attended school and lived here until the mid 1920's, when he moved to the Detroit Windsor area. During War Two he served with the Canadian Army overseas.

Survivors include one brother Harry of Blairmore; three sisters, Mrs. William (Leona) Klevinsky and Mrs. George (Alice) Zinok, both in Coleman, and Mrs. Albert (Mary) Michalsky in Windsor. Funeral services were held in Windsor.

Legion Meeting January 16

President of the Coleman Legion Al Krywolt, has called a special meeting of the Legion members to be held in the club rooms at 11 a.m. January 16th for the purpose of electing a new slate of officers.

This second meeting has been called due to the poor attendance at the January 9 meeting.

tapers.

Rev. Fr. Fleming asked "Grace". Toast to the bride was given by Mr. Ron Ball to which the groom ably responded.

Toasts to the bridal attendants was given by Mr. Ron Barnes.

After the banquet a social hour was enjoyed, during which time Rev. Fr. Fleming made a speech. Rev. Fr. Labell also gave a short speech, stating he was chaplain at St. Michael's Hospital during the bride's years of training as a nurse.

The happy couple left for a trip to Banff. The bride wore a suit of turquoise crocheted knit with accessories in black and her corsage was a pink orchid. On their return the newlyweds will take up residence in Calgary.

Out of town guests included relatives from Blairmore, Coleman, Edmonton and Oyen.

Family Service Bureau Report

The Board of Directors of the Crows Nest Pass - Pincher Creek Family Service Bureau, at its monthly meeting held in the Municipal District building in Pincher Creek on January 5th, heard the Finance Committee's proposal to raise funds for the group's operation during 1966.

The board suggested that the town councils and the municipal districts embraced by the Bureau's service be approached with regard to their providing one half of the required finance necessary for the year's operation. The balance is to be raised through a canvass of the district.

The Bureau will be starting case work in Pincher Creek next week and will be working out of the Municipal Building.

During the past month, Rev. Harold Coward, psychologist, and Sister Leo Agnes, counsellor, have worked on 23 cases. Some are Pass persons who have been referred to the Bureau by Dr. Bower, psychiatrist of Lethbridge, and by Mr. Frank, marriage counsellor of the Family Service Bureau of Lethbridge.

Mobility Program Now In Effect

During a recent interview with Terry Robertson, manager of the National Employment Office at Blairmore, we were advised Canada's new Manpower Mobility Program is now in effect.

Mr. Robertson stated the program, which provides financial assistance for unemployed workers who wish to move to other areas where employment is available, is a major step forward in removing existing inequalities in job opportunities.

The Manpower Program is designed to help maintain full employment, and ensure that Canada's available manpower resources are used to the fullest extent.

Under the Manpower Mobility Program, loans or grants may be made to workers and their families for the cost of moving and resettling when it is clear that such a move is in both their own and the public interest.

Mr. Robertson stated that he realized the Crows Nest Pass area was presently enjoying near full employment but he also pointed out the fact the program could be of assistance in reducing those localized labor surpluses in other areas when it was clear the worker has a skill required by industry in the Pass area.

Workers who are interested in determining if they are eligible for a loan or grant should telephone or visit their nearest National Employment Service office for full information about the new program.

Jim Montalbetti Wins Scholarship

Jim Montalbetti, son of Mr. and Mrs. James Montalbetti of Coleman, was recently awarded the Association of Professional Engineers of Alberta Scholarship in geology and physics.

While attending school in Coleman, Jim was the winner of many local awards. He is completing his third year university.

Bob Smith Awarded Scholarship

R. F. M. (Bob) Smith, formerly of Blairmore, son of Mr. and Mrs. F. Smith, is attending University of Alberta at Calgary, and is enrolled in the faculty of Commerce.

Bob is at university by virtue of the Muir Educational Memorial Scholarship, under which members of the staff of the Royal Bank of Canada are selected, one from each district in Canada, to attend the university of their choice and are granted leave of absence with full salary for the period necessary to obtain a degree.

Bob attended high school in Blairmore and Barons, before joining the staff of The Royal Bank of Canada in 1961.

Council Study Secretary and Police Applications

Coleman Council, at a special meeting January 7th, studied 11 applications, all from out of town, for the positions of secretary-treasurer. Council selected three of the applicants, who will be invited to come to Coleman for interview next week-end.

Council also studied four out of town applications for the position

or chief of police and of these four two were considered suitable.

Council will attempt to learn the cost of policing the town by the RCMP police as compared with a local policeman, after which the town will notify the two selected applicants of their decision on April 1st.

Employment Outlook Encouraging

Terry Robertson, manager of the National Employment Service at Blairmore, stated the employment picture during the month of November was good, but a shortage of experienced labor was very much in evidence.

The decision of Becker Manufacturing Ltd. to establish a plant at Blairmore to manufacture mobile drilling rigs is a welcome addition to the annual payroll which will contribute to the prosperity of the Crows Nest Pass.

During the month workers on temporary layoff due to weather conditions were reduced by 25 per cent as compared to the same period in 1964. With continued good weather it is hoped the area will be able to maintain a high level of employment during the balance of the winter months. On the whole, the NES officer, the general outlook is very encouraging.

To Provide Color Television

The eight member companies, including Alberta Government Telephones, which make up the Trans-Canada Telephone System, are presently making the necessary technical changes on their microwave network to provide color television.

The project is expected to be completed in ample time to accommodate the two television broadcasting networks in Canada. CBC and CTV have previously announced they will be telecasting in color across the country by early 1967.

Under the terms of the agreement for the Trans-Canada Telephone System, each of the eight member companies provide facilities to make up the longest microwave network in the world. In the color conversion scheme they will each look after the technical changes within their borders.

Ottawa postpones some building to check inflation — frank admission that government spending can cause inflation.

Since 1940 Canadian wages have risen 112 per cent; only 84 per cent in U. S.

Legion Repeats Pension Boost Request

OTTAWA, Ont. — The Royal Canadian Legion today asked that pension rates be boosted \$180. This is the increase, it maintains, that is required to bring rates for the single 100 per cent pensioner into line with the salaries of certain basic civil service categories.

The Legion brief reiterated the stand that although the pensioner and civil servant (cleaning servicemen) each received \$900 annually in 1920, the civil servant's income has outstripped the pensioner's.

The Legion believes that if the philosophy of raising pensions to wages was accepted in 1920, it should be no less valid today.

President Fred O'Brecht lauded the government for establishing a committee to study the administration of the Pension Act. He reminded the Prime Minister that it should be obvious from past presentations that the Legion is not satisfied with the Pension Commission's approach on many individual claims, nor with the manner in which the Commission interpreted legislation.

The brief expressed satisfaction that consultations between DVA and Legion officials are being carried on in the matter of the transfer of DVA hospitals to civilian authorities. It is against wholesale transfer and feels each proposed hand-over should be judged on an individual basis.

Finally, the Legion hoped government plans observing the 50th anniversary of Vimy, in 1967, would be worthy of the battle where Canada became a nation. It also offered to co-operate in any suitable Centennial programs.

C.W.L. Name Draw Winners

The Coleman Catholic Women's League announced that the draw for the Christmas cake donated to the League by Mrs. Frank Abussay was won by Mrs. William Allan.

Draw for the "Barbie Doll", donated by the Kovack family, was also made, and was won by Sandra DePiero of Coleman.

CUSTOMER SERVICE REPRESENTATIVES

These six mobile representatives who have been covering Canadian Pacific's Lethbridge division since establishment of new customer service centre at Lethbridge are expected to increase the personal contact between the company and its customers. The six men, three based at Lethbridge and others at Blairmore, Claresholm and Vulcan, converge from their automobiles for weekly meeting at customers service centre. Left to right: J. A. (Buster) Brown, Blairmore; Del Collier, Lethbridge; Bill Babuk, Vulcan; Paul Shewchuk, Lethbridge; Wally McIntyre, Lethbridge, and Lavern Smith, Claresholm.

Manpower Mobility Program Takes Effect Dec. 28, 1965

Employment opportunities for Canadian workers will be greatly increased with the coming into effect December 28th of the new Manpower Mobility Program, the Hon. Allan J. MacEachen, Minister of Labor, announced today.

The program will be implemented in Sudbury, Ont., somewhat earlier because of the need to provide assistance to a number of unemployed who have recently moved into the area.

This program, which provides financial assistance for unemployed workers who wish to move to other areas where employment is available, is a major step forward in removing existing inequalities in job opportunities, said the Minister.

As a major part of the government's total manpower program, the Manpower Mobility Program is designed to help maintain full employment and ensure that Canada's available manpower resources are used to the fullest effectiveness.

Other government programs working toward these same objectives include the development and extension of vocational training, including the active program for upgrading the education and skills of the unemployed, vocational rehabilitation, incentives for area development and the annual drive to create more winter employment.

"Now all Canadians, wherever they may live, will be better able to fulfill their individual working potential," Mr. MacEachen stated. "This program should also be of assistance in reducing those localized labor shortages which can be a serious bottleneck to our economic growth."

Under the Manpower Mobility Program, loans or grants may be made to workers and their families for the cost of moving and resettling when it is clear that such a move is in both their own and the public interest.

A worker will be eligible for a loan or grant under the program when: (1) there is little or no chance of his securing a suitable job in his home area or in an area closer to his home than the area to which he is moving;

(2) there is suitable employment in the new area for which he will be hired and a shortage of qualified workers for such employment; and (3) there is a good chance of the new job resulting in his permanent re-establishment in the

new location.

The program will move workers no further than is necessary to secure suitable employment. The movement of workers and their families under the program will be co-ordinated with federal and provincial industrial development programs.

Workers in each of the following categories will be eligible for grants—

- (1)—those who have been unemployed for at least four of the six months preceding their date of application.
- (2)—those who have completed a provincially approved training course or a program of vocational rehabilitation and re-establishment within three months of their date of application.
- (3)—former automobile or auto parts workers eligible for Transitional Assistance Benefit in respect of their layoff, whether or not they are in receipt of such benefits.
- (4)—key skilled workers who are needed by employers who have received development grants under the Area Development Incentive Act. A "key skilled worker" is defined as one whose employment will result in creating job openings for additional workers or will prevent the layoff of workers).

For a worker with dependents, who is moving to employment, a loan or grant will pay for the actual cost of transportation for himself and his dependents, including meals and overnight accommodation. The actual cost of moving household and personal effects will be paid, as well as the cost of moving a mobile home if the worker owns one. Not covered is the cost of moving automobiles by other forms of transports, trailers, boats, livestock or pets.

Workers with dependents will also receive re-settlement allowance on the basis of \$200 each for the worker and his wife and \$100 for each dependent, up to a maximum of \$1,000.

For workers without dependents, loans and grants will not cover the cost of moving household and personal effects. There is a re-settlement allowance of not more than \$100 for workers in this category who qualify for loans. Those receiving grants will not receive a re-settlement allowance, but may apply for a loan to cover re-settlement costs.

Under normal circumstances a loan will be repaid in not more than 20 monthly instalments, commencing four months after the loan

is made. These provisions are necessarily flexible to avoid creating hardship. Interest on loans will be at the rate of five and three-quarters per cent per annum.

If a worker who has obtained a loan or grant has to take a medical examination as a condition of his new employment, an additional grant may be made to cover the cost of the examination.

There is a retroactive provision for workers who moved, on their own initiative, to assume employment before this program came into effect. They will be eligible for a loan or grant if it is found that, at the time they were unemployed, they met the provisions of the program, and if they make application within three months of the date of their arrival at the place to which they moved. This also applies to those who move on their own initiative after the program takes effect.

The Manpower Mobility Program will be administered by the Na-

tional Employment Service and applications for loans and grants should be made to the local NES offices.

DO YOU WONDER?

Do you ever shake your head and wonder what the present generation is coming to? Granted, there are differences between teen-agers' viewpoints and those of older people. To help you understand the young people, write for the free booklet 'Understanding Your Teen-ager', to the Canadian Mental Health Association, 618 Revillon Building, Edmonton.

THE FACTS

What are the facts? The facts about mental illness, that is. — Should we kid ourselves that it

can't happen to us? or should we recognize the fact that it CAN happen to any of us? The facts are available to you, free, from CMHA

—ask for 'Facts About Mental Illness',—the address is The Canadian Mental Health Association, 618 Revillon Building, Edmonton.

Why wait for spring?

do it now!

The wise ones take advantage of winter. Skilled trades are more readily available in the wintertime—ready to do your repairs and renovations when you want them. Materials are in generous supply too, and your renovation budget will often go further in winter, thanks to off-season

discounts and extended payment plans. You can borrow up to \$4,000 with up to ten years to repay, at low interest rates, with a government-sponsored NHA Home Improvement Loan from your bank.

If you're the owner of a small business, then you may take advantage of special Small Business Loans available at your

bank. And farmers can qualify for up to \$15,000 with ten years to repay with a Farm Improvement Loan.

So you see, there are a whole lot of very good reasons why you should have that work done around your home or place of business during the winter. Do it now!

Everybody benefits when winter work is increased

For advice and assistance call your National Employment Office.

DP 11640

JANUARY 15th - 21st

A rather routine TV week should be brightened somewhat by highlights of Bob Hope's fourteenth annual Christmas jaunt to entertain U. S. servicemen overseas. This time the great comedian took his troupe to Viet Nam combat zones and bases in Guam and Thailand.

Featured with Bob will be actress Carroll Baker, dancer Joey Heatherton, singer Jack Jones, comedienne Kaye Ballard, funnyman Jerry Colonna, Miss U.S.A., Dianne Lynn Batts, actor Peter Leeds, The Nicholas Brothers and Les Brown and his band.

The Bob Hope Christmas Show will be seen on the CBC television network Wednesday, January 19th at 8:30 p.m.

When Chief Dan George, an elderly Canadian Indian with a wise, seamy face and tremendous dignity, made his acting debut last year on Festival in a Cariboo Country story — the award-winning Education of Phyllysline — he gave a most moving performance. He is said to give an even finer one, again as Ol' Antoine, in another Cariboo Country film. How to Break a Quarter-horse, to be shown on Festival this Wednesday, January 19th at 10 p.m. All exteriors for the drama were filmed on location at Williams Lake, B.C., and in the Chilcotin Plateau area, the exact setting of the tale. Its author is Paul St. Pierre, Vancouver Sun columnist.

An Indian, Gabriel Jimmyboy, is accused of murdering a rancher called Haines, and not only Ol' Antoine but rancher Smith and court

interpreter Walter Charlie become involved in his defence. But it is Ol' Antoine himself who rises to the occasion in court as Jimmyboy's only witness.

Saturday's NHL game should be a battle for first place when the Chicago Black Hawks invade the Forum to take on the Montreal Canadiens. Danny Gallivan will call the play by play.

Sunday afternoon, January 16th, at 2 p.m., "Through the Eyes of Tomorrow" will present a portrait of young Canadian actor Peter Kastner, who is now appearing in "The Playroom", on Broadway. Also, Toronto columnist Richard J. Needham will talk about newspaper work and answer questions from the panel of students in the audience.

The opening of Canada's twenty-seventh parliament since Confederation will be covered live on CBC television Tuesday afternoon, January 18th.

Television coverage will begin with panoramic views of Parliament Hill taken from a helicopter, followed by videotaped highlights of the election of the Speaker and the swearing-in ceremony.

Other ceremonies CBC will cover include:

The inspection of the Guard of Honor by Governor-General Vanier; His Excellency entering the Parliament Building, the arrival of His Excellency in the Senate, the traditional summoning of the Commons to the Senate by the Gentleman Usher of the Black Rod (to hear the Throne Speech by the Governor-General).

The Friday Night Movie at 9 will be "The Kentuckian", starring Burt Lancaster, John McIntyre, Walter Matthau, John Carandine and Dianne Foster.

In Kentucky in the 1820's Eli Wakefield takes his motherless son and heads for Texas, where there is more space and less fending. A brother convinces him to settle in Kentucky, but his enemies have other ideas. They threaten his life and that of his new girl friend.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN:

HAYNES BOYS' INITIATIVE HONORED

When their father entered a Calgary hospital several months ago, David and Duane Linklater proved themselves sons to be proud of! They took over the duties of milking seven cows, and the care of other farm animals — and still kept up their marks in school.

Mrs. Linklater suffers from arthritis, and the boys baked twenty loaves of bread each week, made the family meals and helped her with other household duties. David is fifteen years old, and Duane is thirteen.

Their youngest sister Kathie cannot walk. The two boys carry her everywhere, showing patience and understanding.

The boys still find time for the East Lacombe 4-H Beef Club, and are active in many sports.

We congratulate David and Duane Linklater. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Tom Ford, Editor of the Lacombe Globe and to David and Duane's nominator, Mrs. J. Linklater of Clive.

DID YOU KNOW?

National Employment Service records show that the more schooling one has, the quicker he'll find a job and the more likely he is to make a success of it. Barely 30 per cent of the jobs in Canada are unskilled or semi-skilled today - and this number is decreasing. If a young person is already a "drop-out" it is important that parents and others interested use their influence to keep young people in school until graduation. The greater percentage of jobs available calls for secondary school graduation and very often for specialized training as well. Moreover, N. E. S. reveals that surveys show a direct relationship between the extent of one's education and the size of one's pay cheque.

If you are undecided, why not discuss the problem with your local school principal or visit your nearest National Employment Office where an officer will assist you to make your decision.
